The following items constitute my “want list” for my own collection of Springfield Armory edged pieces. I prefer top quality items in original and unmodified condition.

**T-47 Bayonet** – Good condition.

### **SWORDS/SABERS** —

I am seeking any Springfield sword or saber that is in exceptional condition. My special wants include:

**M-1902 Officers** - Types III (except 32”), IV, and V in all lengths, and Presentations

**M-1905/06 Cavalry** – Any length or tip, with great leather or pigskin scabbard.

**M-1913 Cavalry** - Early 1913 dated with serial number under 200, 1915 dated & 1918 LF&C with serial number.

### **FIREARMS-**

**M-1911-** .45 ACP semi-automatic pistol. Must be totally original.

**MEMO** February 2006

I am always seeking superior Springfield edged pieces, as they may represent upgrades. I also seek reference materials and prototypes for Springfield edged weapons and scabbards. I will occasionally have duplicates for sale, due to upgrades.

I am always glad to help others when I can. Best, Tom
